

BPS Series Explosion-proof Fans

Product Description

- The explosion-proof industrial fan applied in the condition of explosion-proof gas compound with factory type ,Grade A,B and the temperature T1-T4.
- We also get explosion-proof certificate. The impeller made of aluminum alloy has strong points such as operate steadily, beauty appearance, rational structure, etc.
- The product comes with Explosion-Proof certification.

Application

- It widely used for ventilation and sunstroke in office, oil, military industry, chemical industry, medicine, metallurgy, etc.
- Our explosion-proof fans are designed precisely for such highly sensitive conditions.
- Aside from many other application areas, our BPS fans are in use in the chemical industry, in mills, biogas plants, landfills, sewage plants, flour storage facilities as well as food processing.
- They ensure the safe transport of explosive dusts and gases of all kinds.

Technical parameters

Model	Diameter	Voltage	Frequency	Speed	Power	Air Flow	Static
	mm / Inches	V	Hz	rpm	w	m ³ /min	Pa
BPS-40	500(16")	220	50/60	1400	370	100	100/120
BTF-60	600(24")	220	50/60	1400	550	150	150/170
